Pupil premium provision 2018-19

Pupil premium is additional funding given to all schools to support pupils who are deemed to be disadvantaged. The Government provide this funding and use the entitlement of free school meals as the measure. The current funding for this school year is £58,600.00, allocated in the following ways:

Year2 boosters: Additional support for Y2 class

- Deploy a TA 0.5 to reduce class size and provide small group teaching to build on attainment and progress
- Employ an additional teacher 0.2 (January – May)

Disadvantaged groups will have focused small group teaching to build on attainment and progress.

Targets:
 Reading: decoding and retrieving answers from text
 Maths: Basic skills reinforcement – number bonds, number knowledge, place value; calculation methods

Aim / Outcomes: To narrow the achievement gap by the end of Year 2 in reading and writing. Ensuring that a greater number of disadvantaged pupils achieve on or above expected standards.

Approx. £10,000

Focused Intervention: Targeted intervention programme – Motor Co-ordination

- External provider to provide weekly motor coordination sessions targeting children from Y1 – Y6

Aim / Outcomes: Support pupils with the development of fine and gross motor skills

Approx. £2,000

Year 6 boosters: Provide additional 1:1 / small group focused intervention for disadvantaged children in preparation for SATs in May

- Staff to provide small group or 1:1 support

Aim / Outcomes: To narrow the achievement gap by the end of Year 6. Ensuring that a greater number of disadvantaged pupils achieve on or above expected standards.

Approx. £2,000

KS2 Support : TA support for Y3 - Y6 class

- Employ a TA 0.5 to reduce class sizes and provide small group teaching to build on attainment and progress
- To provide 1:1 or small group focused intervention for disadvantaged children

Targets:
 Reading: Lower ability children – decoding and basic comprehension skills; average and more able children – reading higher order comprehension skills
 Writing: Focused sentence construction and development; spelling development
 Maths: Lower ability children –Basic skills programme; average and more able children – reasoning skills

Aim / Outcomes: Ensuring that a greater number of disadvantaged pupils achieve on or above expected standards.

Approx. £13,000

Focused Intervention: Targeted intervention programmes Y3-Y6

- TA support to deliver focused intervention (specific programme for specific needs – individual tuition where appropriate) 3 TAs x 0.4

Targets:
 Reading intervention (BRP, LEXIA, IDL and Reading Miles), writing intervention (Write Away, phonics / spelling input , maths intervention (IDL, basic number facts, calculation practise)

Aim / Outcomes: Ensuring that a greater number of disadvantaged pupils achieve on or above expected standards.

Approx. £9000

TA Training: BRP CPD for teaching assistants to support the delivery of high quality of reading intervention targeted at individuals

- External provider to deliver CPD

Aim / Outcome: Ensuring that a greater number of disadvantaged pupils achieve on or above expected standards.

Approx. £400
