

Citywide parent and Toddler groups for Newcastle upon Tyne

What is a Parent and Toddler Group?

It is a group of adults, mothers, fathers, childminders or carers that come together with their children who are under the age of 5 in their own community. They offer play opportunities for children from birth to 5 year old, as well as an opportunity to mix with others. They offer support to adults and a break from the normal routines of the day. Groups are managed, normally, by these adults who arrange the activities and manage the finances.

Parent and Toddler Groups offer invaluable experiences for parents/carers and children.

All of the groups shown on this list are available to ALL parents/carers.
